

Skukuza Rest Camp to Johannesburg Transfer

Thursday, 8 October 2026

After a week of interesting talks and wildlife viewing, it is time to say goodbye to Skukuza and head to Johannesburg for the last leg of the SEISMIX 2026 conference tour.

We depart early on Thursday, 8 October 2026, from outside the conference centre.

Please be there at 09h00 so we can pack luggage, do a headcount, and settle down for the drive. We depart promptly at 09h30.
